

# Recreational (non-charter) harvest and catch rates around the port of Marquette, Lake Superior, from 1988 to 2007

Shawn P. Sitar

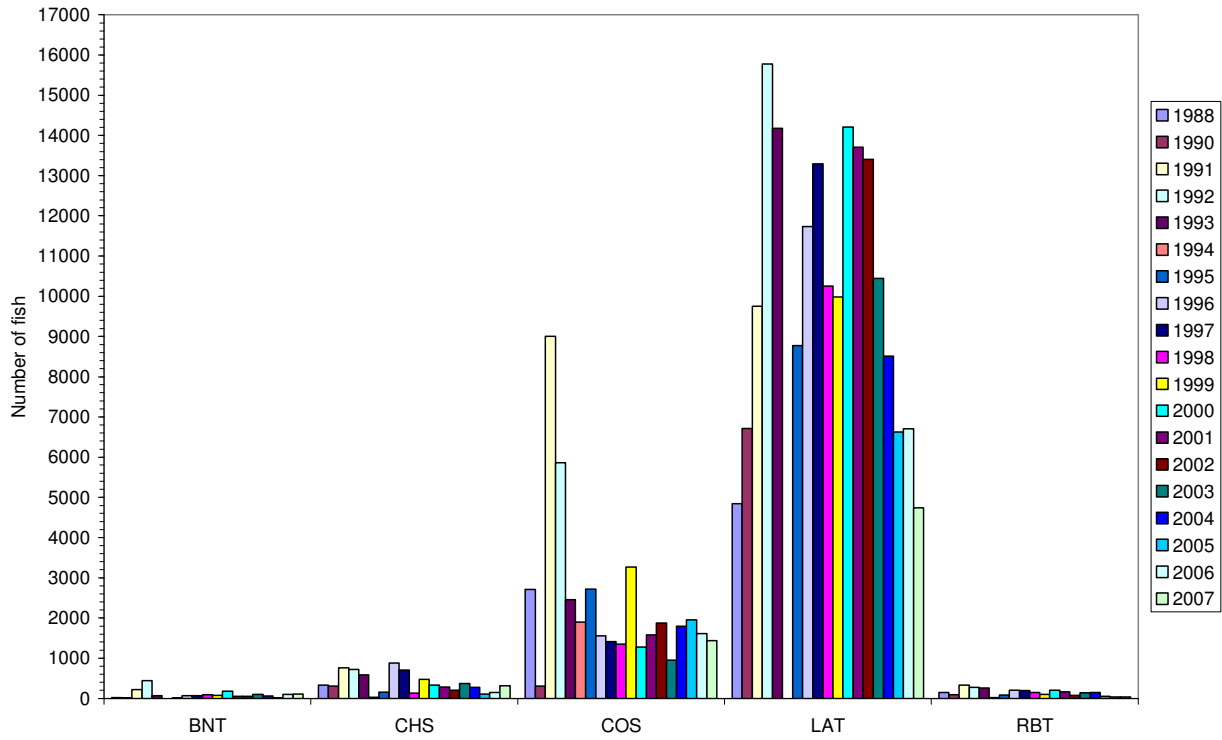

Figure 1. Recreational (non-charter) harvest of key salmon and trout species in Marquette from 1988 to 2007. Note, data for 1994 were not available. BNT= brown trout; CHS= Chinook salmon; COS= coho salmon; LAT= lean lake trout; RBT= steelhead.

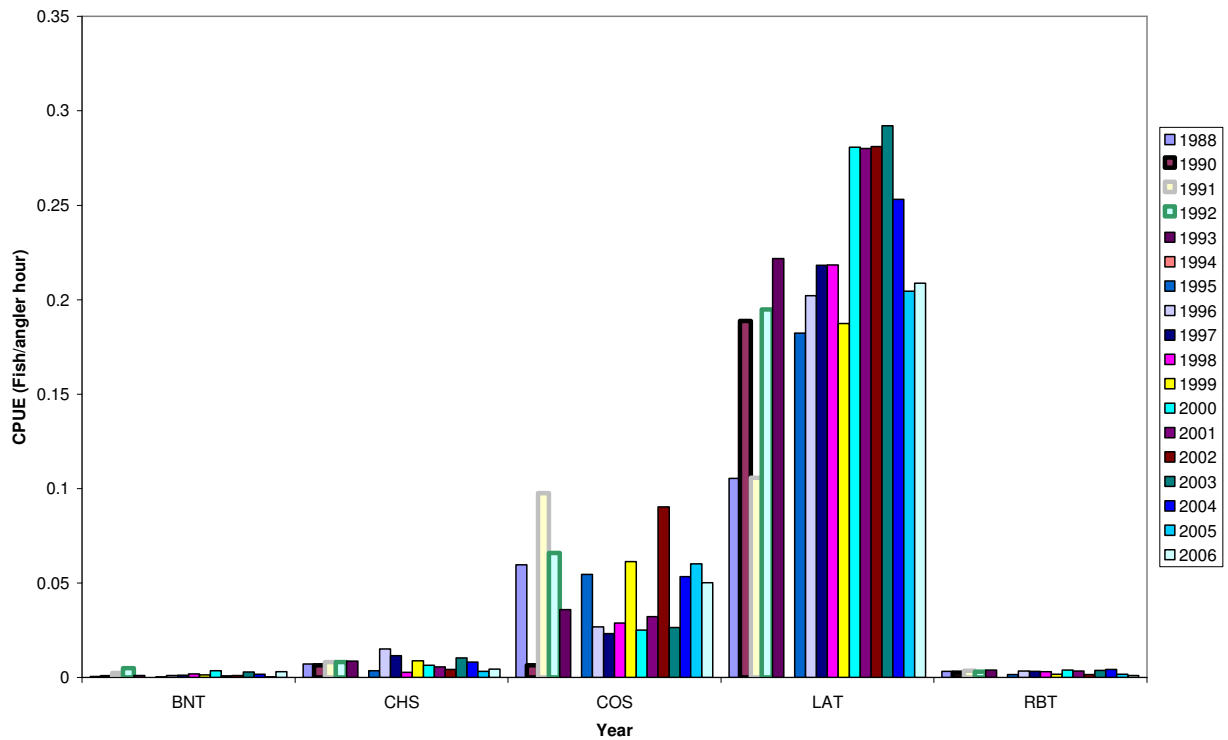

Figure 2. Recreational (non-charter) catch rates (catch per unit effort, expressed as number of fish harvested per angler hour) for key salmon and trout species at Marquette during 1988 to 2006. Note, data for 1994 and 2007 were not available. BNT= brown trout; CHS= Chinook salmon; COS= coho salmon; LAT= lean lake trout; RBT= steelhead.
